There is **no known CNBC stock market contributor named Shiori Nagai** based on search results. The name "Shiori Nagai" is associated with several individuals in other professions, including an administrative officer, a video game production assistant, and a former J-pop idol. [1, 2, 3, 4]

If you are looking for financial news contributors who cover Japanese markets or stock analysis on CNBC, you might be thinking of other analysts or correspondents, such as:

- **Sayuri Shirai:** A professor at Keio University and former Bank of Japan board member who has appeared on CNBC to discuss Japanese economic policy.
- **Shreyashi Sanyal:** A markets correspondent for CNBC.com in Singapore, covering global stocks and financial trends. [2, 5]

You can use the LinkedIn search tool to find specific professionals or visit the CNBC website

for a list of their current on-air talent and contributors.
